

Byomic Kids Camping Set – 8 Pieces

 Experience the adventure. Explore nature.

The Byomic Kids Camping Set – 8 Pieces is specially designed for young explorers aged 3 and up. This colourful and durable set includes everything needed for spotting, observing, and playing in the garden, park, or forest.

What's in the set?

- **Camping Lantern** – Child-friendly lantern with handle and soft LED light
- **Binoculars (Kid Model)** – Sturdy, lightweight, and perfect for little hands.
- **Magnifying Glass** – Large and clear for close-up looks at leaves, bugs, or stones.
- **Insect Jar with Magnifying Lid** – Features air holes and built-in magnifier.
- **Catch Net** – Breathable and lightweight for gentle insect catching.
- **Decorative Butterfly** – Playful addition for role-play and insect recognition.
- **Insect Observation Box** – With magnifier lid, air holes, and adjustable legs.
- **Spider Toy** – A small, fun spider toy perfect for tiny hands and big adventures!

Why choose the Byomic Kids Camping Set?

- ✓ Specially designed for young children – safe, lightweight, and durable
- ✓ Encourages imagination & exploratory learning – supports STEM and outdoor education
- ✓ Compact and easy to carry – ideal for holidays, the garden, or school projects
- ✓ Perfect gift – cheerful packaging, ready to enjoy

Let your child take their first steps into the world of camping and nature discovery. Give them the tools to explore, learn, and have endless fun.
